

The Hebrew years are roughly October to October rather than December to December which is the reason for the overlap.

The letters **SH** stand for the shemittah year representing the 7<sup>th</sup> year in the Jubilee cycle.

The letters **TP** represent every the 6<sup>th</sup> year of the cycle where a triple portion of blessing is poured out as declared here:

**Leviticus 25:20, 21** And if you shall say, What shall we eat the seventh year? Behold, we shall not sow nor gather in our increase! Then I will command My blessing on you in the sixth year, and it shall bring forth fruit for three years.

The stars of David represent when the Dow fell 7% in 2001 at Rosh Hashana, and 7% in 2008 at Rosh Hashana and what may be coming at Rosh Hashana in 2015.

The numbers 0-17 correlate to the years 2000 thru 2017 to give everyone the corresponding years on our regular calendar to be able to identify them. The Jewish years are basically from our Oct. thru Oct. rather than Dec. thru Dec.

The yellow circles represent the year El Shaddai started; the Year El Shaddai took off exponentially in global outreach and the year we have just begun!
