### **Shalom one and all!**

Can you believe this year is over?! Here we are in the month of Tevet about to enter the year 2018 which I believe, beyond a doubt, will be one of the most eye opening prophetic years in history! Hold onto your shorts! It is the Hebrew year 5778 and we know the number 8 speaks of new beginnings. In another few months we will be celebrating the 70th anniversary of Israel becoming a nation! On the Gregorian calendar it was on May 5th 1948 and on the Biblical calendar it was on the 5th of Iyar. In 2018 the 5th of Iyar is on April 20th so that is when they will be celebrating it in Israel.

We know from Ecclesiastes 3 that God has a purpose and a time for everything! We need to be on God's calendar having an understanding of Israel who is God's timepiece. We want to be as the tribe of Issachar who had an understanding of the times so they knew what to do according to God's calendar. We do not want to be like the religious leaders who Yeshua rebuked in Luke 12 that did not know how to interpret the times they were living in.

We know from Luke 17 that the time before Messiahs coming will be as in the days of Lot. Lot represents the leaders of the clueless church. Whereas Abraham represents the remnant which God informs ahead of time about what is coming. During Lot's generation society was judged because of sexual immorality - look at what is happening today!

Luke 17 also tells us those days will also be as the days of Noah. Well, Genesis 6 tells us during Noah's life the world was filled with violence which sure sounds like our day! Look at all the violence happening around the world.

Luke 21 also tells us there will also be signs in the sun, moon and stars of which there have been plenty! Earthquakes will abound as well as plagues, hurricanes and the distress of nations.

Matthew 24 tells us ethnic group will rise against ethnic group and there will be wars and rumors of wars. Most significantly it speaks of the blossoming of the fig tree referring to Israel becoming a nation! Celebrating the 50th anniversary of the retaking of Jerusalem is also highly significant as well. We are definitely in the birth pangs before the coming

of the Messiah. The bible says the generation that sees all these events will not pass till the Messiah comes. We are that generation! Israel was to be God's timepiece.

Many wonder how long a generation is. Let's look at the different possibilities and let's see where we land. Noah's generation was given 120 years and this year was the 120th year of the first Zionist congress in 1897. In Genesis 15 we are told that a generation is 100 years. Well, it has been 100 years this year from the Balfour Declaration proclaiming there should be a nation of Israel. What about 70 yrs as Psalms 90 implies that is how long a generation is. Well, 70 yrs ago Israel became a nation!

What about 50 yrs as that is how long the Jubilee cycle is. Well, as mentioned earlier we are celebrating the jubilee anniversary of the retaking of Jerusalem! No matter how you cut it whether it is 120, 100, 70, 50 everything lines up to by the end of this next year we are closing the doors on the definition of a generation.

It has been mentioned in publications that our current President is similar to the ancient King Cyrus. [Read the article here.](#)

Interestingly you will discover Cyrus died at 70 yrs old and our President took office at 70 yrs old picking up the baton where it was left off. Also he is our 45th president and look at Isaiah 45:1

"Thus says the LORD to his anointed, to Cyrus, whose right hand I have held, to subdue nations before him, and strip kings of their armor; to open the doors before him, and the gates shall not be shut:"

Amazingly Cyrus is mentioned by name here prophetically as he was not born until a over a hundred years later!

We know all about fake news, the nations being upset because of the Jewish building expansion of the city of Jerusalem, and moving our embassy to Jerusalem. We also, have all heard of the "Deep State" well, with all this in mind check out the verses just before, in Isaiah 44.

**Isaiah 44:24-28** Thus says the LORD, your Redeemer, and he who formed you from the womb: "I am the LORD, who makes all things; who alone stretches out the heavens; who spreads out the earth by myself; who **frustrates the signs of the liars**, and makes diviners mad; who turns wise men backward, and makes their knowledge foolish; who confirms the word of his servant, and performs the counsel of his messengers; **who says of Jerusalem**, 'She will be inhabited;' and of **the cities of Judah**, '**They will be built**,' and 'I will raise up its waste places;' **who says to the Deep**, '**Be dry**,' and 'I will dry up your rivers;' Who says of Cyrus, 'He is my shepherd, and shall perform all my pleasure,' even **saying of Jerusalem**, '**She will be built**;' and **of the temple**, '**Your foundation will be laid**.'"

Could we also hear of the foundation of a Temple being laid this next year?! Only time will tell!! As we close out 2017 be sure and get one of our highly popular Biblical calendars for yourself and friends as this next year we really need to be watching on the right calendar! [Get your calendars here.](#) (Due to an unexpected rush we are currently out of stock. More will be here in 2 weeks.)

Blessings!
