July 2018

Shalom one and all!

Can you believe it? Here we are with 2018 already half over! We are also in the final week of the Dire Straits headed for the 9th of Av the very day the Temple was destroyed twice. **This weekend, July 21st at 12:00 pm to 12:30 pm PT**, at the end our Shabbat service we will have an excellent teaching about the 9th of Av streamed live from Jerusalem by special guest Rabbi Tuly Weisz!

Rabbi Tuly is the director of Israel365 and the Publisher of the Israel Bible. [Click here to order your bible at a special discounted rate!](#)

He is also the Publisher of [Breaking Israel News](#).

He will share with us, from Jerusalem, about the Book of Lamentations and why it is read every 9th of Av. You won't want to miss this! Have all your friends be sure and livestream the teaching!

It is so prophetically exciting to go from mourning on the 9th of Av to the Shema around the world and comforting the Jewish people the following weekend! I see this as a seed being sown in the fulfilling of the prophecy in Zechariah 8:19 where the fast days will become feast days and days of rejoicing!

Those participating these next few weeks will be a part of biblical Prophecy being fulfilled in front of our eyes!

We are also very excited about our upcoming conference - "The Time is Now!"

We have top notch speakers including Perry Stone, Rabbi Itzhak Shapira, Haitham Besmar (aka Sam Daniels) and I will be teaching about what time it is on the prophetic calendar!

The entire conference will be live streamed for free all around the world! But do know there is a huge cost for holding this conference, such as the Tacoma Convention center itself, the cost of the audio, and video with the appropriate acoustics. There are the speaker's costs, hotels, and airfare for them. Not to mention all the labor involved in putting on a conference like this. We are looking at around \$100,000 for putting on this conference. So while it is free we pray all those live-streaming would help contribute as they are blessed!

The conference, though live streamed will **not** be archived on our website. We will have dvds of the entire conference made available very quickly afterwards. To help expedite the process we are making pre-sales available now [here](#).

With the presales many are giving the conference dvd sets as gifts so be sure and put the recipients address and we will mail them directly to them so they won't need to be mailed twice.

Blessings!
Pastor Mark
