

# Our Mission

Our mission as a teaching ministry is to help believers understand the Hebraic nature of the whole Bible, and to help Christians understand their Jewish roots. Jesus Christ was Jewish, as well as the apostles, and all the writers and prophets of the Old & New Covenant.

Therefore, to understand the unity of the Bible and many of the difficult passages, we seek to teach from a Hebrew perspective.

## **What we seek to accomplish:**

1. Inspire lovers of Torah and Yeshua. (Revelation 14:12)
2. Restore people's identity that's been stolen. (Matthew 7:24-25)
3. Take Torah to the nations so that others will know God and make Him known. (Isaiah 25:6-9)
4. Bring depth to the body of Messiah, getting it built upon bedrock that it may withstand the coming storm. (Ecclesiastes 3:3)
5. Prepare the way and prepare the bride. (Isaiah 40:3, 62:10, Ephesians 5:26-27)
6. Remove the stumbling blocks. (Isaiah 57:14)
7. Proclaim the kingdom of God. (Luke 4:43, 9:2, Mathew 6:33)
